

LEYCO-GRS MULTI removes oil, greasiness, graphite, coal, ink, wax and other remains

LEYCO-GRS MULTI has been developed through close teamwork with our successful partners in the construction industry.

Profit from the positive experience of your industrial partners or your competition!

LEYCO[®]-GRS MULTI

POWERFUL CLEANSING CONCENTRATE

LEYCO[®]-GRS MULTI is convenient to remove hard, persistent and dried oily stains and greasiness from all alkali-resistant surfaces.

LEYCO[®]-GRS MULTI is convenient for all water-resistant surfaces.

- Removes oil, greasiness, graphite, coal, ink, wax and other remains
- Dilutes dirt
- Applicable on metal, concrete, ceramic, marble, plastic or varnished surfaces
- Odourless
- Extremely economical-dilute with water in a 1:5 to 1:30 ratio
- Universal usage
- Biologically soluble-without organic solvents or chloride hydrocarbons

LEYCO®-GRS MULTI

- Removes oil, greasiness, graphite, coal, ink, wax and other remains
- Dilutes dirt
- Applicable on metal, concrete, ceramic, marble, plastic or varnished surfaces
- Odourless
- Extremely economical - dilute with water in a 1:5 to 1:30 ratio
- Universal usage
- Biologically soluble - without organic solvents or chloride hydrocarbons

LEYCO®-GRS

Product-No. 20.583

POWERFUL ALKALI CLEANSING CONCENTRATE

DESCRIPTION

LEYCO®-GRS MULTI is a powerful alkali cleansing concentrate used in industry, work-shops, shipping firms, shipbuilding or in fire damages rehabilitation.

ADVANTAGES

- Not flammable
- Economical
- Dilutes dirt
- Odourless
- Universal usage
- Powerful
- Applicable on all water-resistant surfaces

TECHNICAL INFORMATION

Density: 1,09 g/m³
pH value: 12

APPLICATION

For the most persistent layers apply undiluted on the floor. Leave for 10-15 minutes and finish off with a machine or brush. Re-apply using a 1: 10 solution.

If the surface is not very dirty, use a 1: 5 to 1: 20 solution.

STORAGE

30 months after the date of production.

PRECAUTIONARY MEASURES

Avoid contact with eyes or skin. If it gets in contact with eyes or skin, wash with plenty of running water. If applied with hands, use rubber gloves.

REMARK

Whilst information and/or specification contained herein is to the best of our knowledge true and accurate, and is based on many years experience, we cannot accept any liability either directly or indirectly arising from the use of our products, whether or not in accordance with any advice, specification or recommendation given by us, as we have no direct or continuous control over how or where our products are applied.

LEYDE-PRODUCTS are guaranteed against defective materials and manufacture and are sold subject to its standard terms and conditions of sale. 23.07.2012
